JOIN US

IN ST. AUGUSTINE, FLORIDA

In February, join us in the beautiful and historical St. Augustine. While there, you can retrace the foot steps of the likes of Juan Ponce de Leon, Sir Francis Drake, Henry Flagler and the Timucua Indians. We will be staying at the Beautiful Casa Monica Hotel which was opened by a man known for his love of Victorian architecture, Franklin W. Smith, and then bought by Henry Flagler. This is one of the oldest hotels in the United States and is a member of the "Historic Hotels of America". It is known for its beauty and is said to be haunted... you never know who you might run into during your stay!

Thursday night, we will host a welcome reception at the Colonial Quarters just a short distance from the hotel. The Quarters is several acres of replica boats, watch towers and other experiences that one would have come across if you were an early settler of America's Oldest City. The food and drink will be plentiful, and a live band will entertain us as we visit and enjoy catching up with one another.

Friday night, we will meet out by the pool of the Casa Monica. Again, we will have a reception with delicious food and abundant beverages. After you wet your taste buds, you will be off to dine around at one of the many amazing restaurants found in this Historic City.

Saturday evening, you are in for a treat! We will take our own trolley's to the Fountain Of Youth. Here, we will follow our hosts to an outdoor pavilion where we will feast on a country Low Boil, as we are entertained by a group who is sure to bring lots of laughter and fun to our final evening together. All we can say is, some of you better watch your backs a little closer this evening than you usually find necessary.

DINE AROUND

IN ST. AUGUSTINE, FLORIDA

Our Friday night dinner will be a little different in St. Augustine. After a beautiful reception poolside on Friday night at the Casa Monica, attendees are invited to participate in the dine around at various restaurants. Space is limited. Participants will not pay for a ticket during online registration but will be expected to pick up their own tab at each restaurant. If interested, add it to your registration online. After your registration is received you will receive a form to select your restaurant preference. Please do not contact staff to confirm your choice. Transportation will not be provided as most restaurants are walking distance from the Casa Monica. Onsite registration is not available for this event.

BLACK FLY - 108 Anastasia Blvd, St. Augustine, FL 32084

Blackfly is one of St. Augustine's newest and most unique sea food restaurants.

THE ICEPLANT - 110 Riberia St, St. Augustine, FL 32084

The farm to table restaurant and bar is open for lunch and dinner. Serving grass-fed beef and burgers, local seafood, with vegetarian options and daily specials. The original "Ice Plant" building dates back to 1927, an experience like no other in Florida. It is complete with the original bridge crane on rails overhead the bar. The crane was used to pick up huge blocks of ice to then be broken down and sold to local customers and the shrimp boats. We wanted to restore the feeling of walking into an old factory.
