Hotel Information

After registering online, you will receive an e-mail containing the hotel reservation links. You will see two links. One link is for Hotel Effie and one link is for the one bedroom condos in Grand Village. Hotel Effie will be a traditional hotel room set up, but will also include typical hotel services, such as room service and valet. Grand Village will have a kitchenette and living room, but are individual condos (similar to the Hawks Cay or Hammock Beach Resort villas). The conference room space is a shared space between the two properties. Hotel Effie may be a shorter walking distance to the conference space depending on the location of the Grand Village condo.
