REMOTE NOTARIZATION AND ELECTRONIC WILLS
SEMINAR AND DISCUSSION
FRIDAY, JUNE 1, 2018 (FREE TO ATTEND)

*2.0 General Credit, 2.0 Wills, Trusts and Estates
Credit*

Bills on Remote Notarization and Electronic Wills have been introduced in the Florida Legislature each of the last two years. The Section has been very engaged in the legislative process and several members who have been significantly involved will discuss the current state of the law regarding Remote Notarization and Electronic Wills, explain how other states are handling these complex issues and explain the progress that the National Conference of Commissioners on Uniform State Laws has made to draft a model Electronic Wills Act. The speakers will then lead an interactive discussion on the policy issues involved and how they impact Florida citizens.
